No. 16. SUMMER TERM, 1940.

Editors: Mr. J. G. Dunning, H. W. Catlin.
Committee: D. E. J. Pope, A. M. Hall, K. Hillyer, R. Crook,

EDITORIAL.

The last Editorial cried exaltingly that we had been but little affected by the war, now, as the size of this Magazine shows, it is different. As paper has to be used sparingly, the Magazine has had to be shortened by omitting all contributions and abbreviating all reports and records. Brevity being the watchword, the Editorial ends.

SCHOOL NOTES.

Prefects:
H. W. Catlin (Senior), J. A. Mabbutt, A. J. Parkinson,

Collections taken at prayers resulted in the following sums being raised:
- Red Cross, £1-9-9.
- Cottage Hospital, £1-18-3.
- British Sailors Society, £1-6-2.
- British and Foreign Bible Society, 10/6.

Air-Raid Shelters for the School will soon be completed. They are of regulation type and should provide protection from the blast and splinters of a 500 lbs. bomb bursting 50 feet away.

A party of boys went to see St. Joan, at the Northampton Repertory Theatre at the end of the Lent Term.

A large party of boys were the guests of the Girls’ High School when they produced "The Rivals," in the Central Hall, on February 16th.
We have been privileged to have addresses from Rev. E. I. Carroll, who spoke on Korea, from Mr. M. C. Butler who again spoke on Esperanto, and from Rev. Ephraim Einhorn who showed us a talkie film on Palestine. In addition the Upper School heard Rev. R. F. Rattray, M.A., Ph.D., speak on Bernard Shaw.

We were glad to see Mr. Appleby when he came to judge the Musical Competition.

We have to congratulate Mr. and Mrs. Woolley on the birth of a daughter.

When the Dean of Chichester came to address the Wellingborough Branch of the League of Nations Union, he was good enough to come and address the School.

The School has already given help to local farmers and plans are in hand for holiday work on farms.

The Editors will be glad to pass on to the Old Boys' Association any information they receive about Old Boys serving in the Forces. A second list of Old Boys serving in the Forces will be found elsewhere in this issue.

The National Savings Group in the School has been rejuvenated. We commend it most earnestly to all members of the School.

Mme. Adila Fachiri came in the Lent Term and gave a violin recital which was attended by the School and girls from the High School. A collection for the Red Cross raised £5-5-3.

We thank Ald. C. W. Horrell, J.P., C.C., for copies of Lord Halifax's speech.

Country Dancing continues on Wednesday afternoons, with great success and members of the Fifth have been showing interest.

We acknowledge with thanks the receipt of the following contemporaries and apologize for any omissions:—Ousel, The Northamptonian, The Howardian, The Magazine of The High School for Girls', Wellingborough, The Wellingburian.

CRICKET NOTES.

School cricket has settled down well this term and a study of the results makes very pleasant reading on the whole. For the First Eleven the prospects were not very good, no full colour being available, but every member this year has pulled his weight and the team has an unbeaten record, so far. The bowling is good and varied. Fielder is deservedly having a very successful season, having already passed N. P. Betts' total of 43 wickets. Catlin puts in a good deal of honest work and Sherwood provides a useful contrast with his variety of spin and length. The fielding is very fair with Sherwood, Fielder and Plant outstandingly good. The batting, the weakest point, has steadily improved and is now usually quite reliable, though of late a certain tendency to hook too early in the innings has resulted in the loss of too many wickets. Sherwood and Elks open very steadily and yet are on the look-out for runs. Mabbut is becoming our most reliable batsman, combining forcefulness with caution (except perhaps sometimes in running between the wickets). The rest of the batsmen can usually be relied on for runs and there is no ‘tail.’ The success of the team has been due largely to the enthusiasm of the seniors under the authoritative
and conscientious leadership of Catlin. Mabbutt and Felce have been in charge of the cricket kit and have performed their duties efficiently and well.

The team has usually been: H. W. Catlin (Capt.), J. A. Mabbutt (Vice-Capt. and Secretary), J. D. Fielder, J. W. Sherwood, P. Felce, D. H. Plant, N. A. H. James, P. H. Jessop, S. Elks, D. Redhead and either L. A. Green, A. M. Hall, R. Edwards or T. F. H. Addis.

Colours have been awarded to H. W. Catlin, J. A. Mabbutt, J. D. Fielder, and J. W. Sherwood, and Half-Colours to S. Elks and P. H. Jessop.

The ‘Under 15’ XI. has lost both the matches played. The bowling is quite good, with Collings, on his day, specially so. The batting is patchy and lacks determination, though D. F. White shewed in the Bedford Modern match what
could be done by a little will-power. The fielding, while
good at times, on the whole lacks conviction and energy.
It was a creditable performance however to run Bedford
Modern so close.

The team has usually been: S. Elks (Capt.), P. H.
Jessop (Vice-Capt.), Shipman, Collings, Underwood, Brooks,
D. F. White, Knoll, Willmott, K. Page and Drage.

Half-Colours have been awarded to S. Elks, P. H. Jessop,
Collings and D. F. White.

The 'Under 14' XI. have had a very successful season
so far. They are a very keen Eleven and possess steadiness
and aggressiveness in both batting and bowling. Goodey
has provided able and conscientious leadership and has been
well backed up by the rest of the team. Munns, Pearce and
Kirby have batted very steadily, and P. J. Peck on occasion
very forcefully. P. J. Peck, Goodey, Kirby and Ellson have
done most of the bowling. Munns is a rapidly improving
wicket-keeper.

**Matches Played.**

Daventry 42.
School 43 for 1 (88 for 1), (Munns 14 not out, P. J. Peck
62 not out).

The team has usually been: Goodey (Capt.), Ellson

Nelson, Bond, Braybrook and Landau.
Half-Colours have been awarded to Goodey, Ellson,
Peck, Pearce, Munns, Kirby and Streeton.
The Scorpions have played one match (against All Saints School) with the usual result. The match however was keenly fought and we are looking forward to winning the return.

R.U.F.C.

Owing to weather conditions very little Rugger was possible during the Easter Term and we were unable to play on any of our usual games days. Consequently little preparation for next season's teams has been possible and much intensive practice will be necessary at the beginning of next term.

In the House matches, the teams were the most evenly matched that we have seen for some years, and all the Senior games were keenly contested.

Half-Colours have been awarded to J. D. Fielder and S. S. Hyman.

HOUSE NOTES.

DRAGONS.

House Masters: Mr. C. W. F. Laurie, Mr. I. J. Nicholas.
Head of House: H. W. Catlin.

The last two terms have been quite eventful for the Dragons who have carried off their share of the trophies.

We had good games in the Rugger Cup, the Junior team winning all games except against the Gryphons, and the Senior team won against the Stags, drew with the Gryphons and lost to the Lions.

A magnificent performance was put up by the Middle House in the Cross Country, and we finally drew for the Cup with the Stags.

On Sports Day the House once more shone, winning the Athletics Cup for the third time and the Relay Cup for the fourth.

In the scholastic field also the House is nothing lacking, for it carried off the Ferguson Trophy, thanks being mainly due to the number of Dragons who obtained School Certificates.

We were runners-up for the House Music Cup, being first in the singing of the set hymn. Page, K. must be congratulated on exceptionally fine alto singing.

In the Cricket we have, up to now, played the Gryphons and Stags; the Senior team lost to the latter and beat the former, while the Junior team won both matches.

The House has great expectations of the forthcoming competitions for the P.T. and Swimming Cups. It is hoped that the new-comers to the House are improving their swimming in preparation for the long-distance tests.

We must congratulate Catlin on his oration at Speech Day, and on becoming Captain of Cricket and a Full-Colour; also Pope on obtaining his School Certificate. House Colours have been awarded to Bunker, Page, K., Redhead, Shipman and Underwood.
Since the writing of the last notes, only one Cup has been added to our collection, making a total of two. We were very unfortunate in losing the last Rugger match with the Lions, making us runners-up for the Cup.

Although not faring very well in the Cross Country running, we produced three runners for the winning team at Daventry, these being Smart, Elks and Hudson.

The House was quite enthusiastic about the Athletic Sports, but enthusiasm alone couldn’t get the Cup, the right material was lacking, so we had to be contented with the position of runners-up for that Cup, and also for the Relay Cup.

We did excel, however, in the House Musical Competitions. The Choir was ably trained by I. A. W. Peck and we were represented by Burman, Berrill and Groome.

We don’t seem to be doing too well at Cricket this term, the junior team haven’t won a match, being beaten by the Dragons and by the Lions. The seniors so far have done rather better, although they lost the match with the Dragons, they just won the match with the Lions. James, Elks, White, D., Streeton and Peck, P. play in School elevens.

We have hopes of retaining the Physical Training Cup, and should do quite well in the Swimming Sports at Wilby.

We wish success to all of our candidates who are taking the various School Certificate examinations, and also to Parkinson, our Captain, and I. A. W. Peck, who are leaving us at the end of this term. Nobody could have done more or shown more enthusiasm for the House than they, and we shall miss them tremendously.

LIONS.

House Masters: Mr. E. L. Hole, Mr. J. H. Butler.

House Captain: J. A. Mabbutt.

House Prefects: White, P., Addis, T., Felce, P.

Unfortunately we have not done so well as we had hoped these last two terms. The only Cup we have won is the Rugger Cup, due mainly to an excellent senior team.

In the Sports we did not shine; but were runners-up in the Cross Country. We must congratulate P. Felce on his excellent performance in the match against Daventry, and on being awarded his Half-Colours.
In the Cricket competitions, although the juniors have won both their matches, the seniors, sad to relate, have not yet been victorious. Nevertheless we hope to win the one remaining match against the Dragons.

The following Lions have represented the School in various XI’s:—Mabbutt, Felce, Green, Addis (1), Wilmott, Drage, Houghton, D. B., Ellson, Nelson (1), Munns, Landau, Addis, J., Knight, D. and Wallis. We congratulate Mabbutt on being awarded his full colours for Cricket.

Due mainly to the lack of individual talent in the House we were third equal in the Musical Competition, but hope to do better in the Physical Training and Swimming Competitions.

STAGS.

*House Masters*: MR. H. C. PHILLIPS, DR. A. JACKSON.

*House Prefects*:

J. SHERWOOD, J. FIELDER, D. PLANT, D. ESSON.

Since the writing of the last House Notes our position in the School has decidedly improved. Although our Rugger was not extra good, owing to the loss of heavy seniors, we made up for this deficiency in other activities. Lack of Middle support prevented us from securing the Cross Country Cup for ourselves, but excellent running by our senior and junior teams resulted in our sharing it with the Dragons. Our Athletics were not too good in spite of Desborough’s excellent jumping and Fielder’s running. However, we managed to get placed third, the Gryphons who were second beating us by only a few points.

We were also placed third in the Music competition (in spite of it being judged by Mr. Appleby!) but we hope to obtain better results in the forthcoming Swimming and P.T. competitions.

At Cricket we have, so far, distinguished ourselves. Under Fielder’s captaincy our Senior XI. has had two overwhelming victories over the Lions and Dragons, and although our Juniors have lost both matches we are placed top on points. We have been well represented this term in School teams, Fielder, Sherwood, Jessop, Plant and Hall, all having played for the 1st XI.; Jessop and Knoll for the ‘Under 15’ XI.; Millard for the ‘Under 14’ XI. and Ager, Wrighton and Keller for the Scorpions.

Our congratulations go to Brawn, Esson, Harris, Westnedge and Desborough on getting their House Colours and also to Fielder on gaining his School Certificate.

The Choir was awarded 77 marks, as against the 90 of the winning choir. In view of the fact that the School was competing against regular adult choral societies, and for a first attempt at difficult work of this kind, the result is not unsatisfactory.

SCOUTS.

This term we regret losing Mr. Pine who has done much valuable work for the troop. In his stead we welcome Mr. C. S. Weatherhead who has already organized many games and items which have been greatly enjoyed.
There have been two camps this term, the first was a senior camp which took place at Easter in the grounds of Finedon Hall. The second was at Whitsun and nearly all the Troop attended. We are very grateful to K. J. Holmes who came specially from Sheffield to take our Troop. This camp was also at Finedon. At this camp we retained the Sports Challenge Shield, the Troop winning a Cross Country race.

The Troop has been very active collecting waste paper and have so far over 6 cwts.

PHYSICAL TRAINING.

On Thursday, June 6th, during the tea-interval of the Parents’ Match, a Physical Training Display was given in the School Quadrangle. The Display consisted of a short table of exercises, followed by agility work on the mattress and box, with a game to finish.

The House Physical Training Competition will take place on July 24th (Juniors) and July 25th (Seniors). The tests comprise exercises in leg spanning, agility, strength and skill, in addition to a game.
THE SCHOOL PICTURES.

Since the Autumn another two sets of pictures have appeared in the top corridor. To continue the group illustrating Art and Society we had ten pictures corresponding to the middle classes—the Bourgeoisie.

1. Jan Arnolfini and his wife (Jan Van Eyck) Flemish
2. Charade (Barnett Freedman) ... English
3. The Syndics of the Cloth Hall (Rembrandt) Dutch
4. Interior with woman peeling apples (Pieter de Hooch) Dutch
5. Lady and Servant (Gerard Terborch) ... Dutch
6. La Bénédicité (Jean Baptiste Chardin) French
7. Dimanche à la Grande Jatte (Georges Seurat) French
8. Cricket at Moulsley Hurst (Richard Wilson) English
9. Au Moulin Rouge (Toulouse-Lautrec) ... French
10. Le Bon Bock (Edouard Manet) ... French

It will be remembered that we started in the middle of the series at set number 8. This term's set should have been number 15, the last of the series, illustrating the third section of society, the People, but unfortunately this set was not sent. Instead we received number 2 in the series. The first three sets are intended to show some of the means of expression that a painter adopts—his language. These ten pictures therefore, at present in the School, show the artist’s interest in Volume or Form.

1. St. Francis gives his cloak to a poor man (? Giotto) Italian
2. Girl Arranging Hair (Giovanni Bellini) ... Italian
3. Maternity (Pablo Picasso) ... Spanish
4. The Music Lesson (Johannes Vermeer) ... Dutch
5. The Infant Jesus, St. John and Angels (Rubens) Flemish

SPEECH DAY.

The new Chairman of the Governors, Mr. P. A. Fryer, M.A., took the chair on Thursday, 14th March, at Speech Day, when the chief guest was the Rt. Hon. the Lord Roche, P.C., an Honorary Fellow of Wadham College, Oxford.

The Headmaster reported an excellent year's work, the influx of a large number of new boys and many war visitors from London and elsewhere, including a large party from the Haberdashers' Aske's School, Hampstead. He reported that the number of boys leaving before reaching the School Certificate Form had decreased but that offenders in this respect were still too many. The Senior Prefect, H. W. Catlin, in an excellent speech detailed—revealing an extraordinary capacity to memorise figures—school achievements against other schools in sports.

Lord Roche, who is a naturalist as well as an eminent legal expert, made a happy and encouraging speech which for a time took our minds off the war and its problems and stressed the importance of an educated use of leisure hours.

ATHLETIC SPORTS.

The end of the Lent Term did not produce ideal weather for the heats, but we managed to get them run off. The long distance events produced some good times and were closely contested. Sports Day itself, on May 16th, was quite the best we have had, good weather, a good crowd of visitors and some excellent performances.

Edwards in the Senior group was outstanding as usual and his new 220 record sets a high standard. Jessop, unfortunately out of the flat races, jumped excellently to produce a new Middle High Jump record. Shipman led the field in most of the Middle flat races and we hope for great things from him next year. Lawrence in the Junior group also showed promise.

At the conclusion of the Sports, the Cups were presented by Mrs. A. R. Woolley.

Despite the severe winter we managed to get several practice runs in quite good conditions. We had lost most of last year’s team, including the Captain, so that on Felce proving himself the year’s strongest runner he was appointed Secretary for the Daventry match.

The Inter-House Competition produced the following results :

Over 15.

1, Felce (L) ; 2, Smart (G) ; 3, Esson and Fielder (S).
Time, 24 mins. 13 secs.

Time, 16 mins. 55 secs.

Stags, 107 ; Dragons, 83 ; Lions, 63 ; Gryphons, 46.

The Williams Cross Country Cup is therefore held jointly by Dragons and Stags, the total points being :-

Dragons, 227 ; Gryphons, 221½ ; Lions, 222½ ; Stags, 227.

HABERDASHERS ABROAD.

Evacuation has revealed a hitherto unsuspected amount of human kindness. What would have been unthinkable a year ago has come to pass, and almost, we fear, to be taken for granted. The Englishman's Castle has been opened to receive us and has become a real home; people have been willing to do an extraordinary amount to make us happy. Even where things have gone wrong, it has been mainly not through material inconveniences but through misunderstood feelings.

With so much goodwill to ease its passage, the year has perforce gone quickly. The uneasiness we felt at the beginning of the war was soon dispelled by the kindness of our hosts. Although our conduct, we fear, does not always show it, we do really appreciate this universal hospitality.

At School we have all been made very happy, both in work and play, and we owe a great debt of gratitude to the Headmaster and the other Masters who have done so much to ease our fears on entering a strange land. In this one year, we have made more friends than ever before and with them enjoyed new experiences. The delights of country dancing
and pea-picking, among many, were ours for the first time; to live in a clean, fresh atmosphere, with the country on our doorstep, able to enjoy rambles and cycle rides without difficulty—these pleasures were almost unknown to us before.

While so much kindness to the erstwhile stranger, who can do so little in return, is being shown every day, the nation cannot be so morally sick as some would have us believe. Encouraged by our own experience, we wish all who are going even further afield as much luck as we have enjoyed.
