EDITORIAL.

"... Therefore, since brevity is the soul of wit and tediousness the limbs and outward flourishes, I will be brief ..." Some editorials are short. Many are witty. Far too many however, are too long, and hence, though their wit be subtle, they appear tedious, because, by their length, they lose the epigrammatic sparkle which denotes true wit.

We have great pleasure in announcing that this effort intends to give no opportunity for criticism on grounds of length, although any wit which may, unknown to us, appear herein, will probably be thought not at all subtle.

It only remains to be said that the school is ever flourishing even as it "pursues the even tenour of its way." The gallant firewatchers still eagerly await their call to arms, and well fortify themselves against its coming with hot, black (usually sugarless) tea, and while away the "still watches of the night" with literature kindly provided by the staff. The "Clerk of the Weather" (a prosperous 'Old Boy') has again smiled kindly upon the school and a full sports season has been possible. Nevertheless it may possibly happen circa 1960 A.D. that the school will celebrate the coincidence of the Annual Athletic Sports with a warm, sunny, day.

SCHOOL NOTES.

Prefects: A. M. HALL (Senior), L. A. GREEN, E. C. BAXTER, P. W. RICH, R. CROSS.
Acting Prefects: G. W. BRADSHAW, D. DURHAM, R. L. DAINTY.

This has been a lively term of many various interests. Outstanding among them have been the Athletic Sports, another Joint Debate with Walthamstow Girls' High School, a Ministry of Information Film show; we have had concerts by the Misses Cicely Arnold and Edith Lake, by the Doncaster Grammar School Choir, and, in aid of the Red Cross, by Miss Stanfield and Miss Barlow (£5-3-0). The House
Music Competition was judged by Mr. Cyril Winn, H.M.I. The Annual Commemoration Service took place on St. Barnabas’ Day, and the address was given by the Rev. C. M. Wright, M.A., of Hampstead.

We were extremely sorry to lose Miss Harris during the course of the term, and were fortunate in securing as her temporary successor Mrs. M. K. Greening, B.A. (Trinity College, Dublin).

A less pleasant addition to our duties has been the necessity, since 18th April, to provide each night a party of three for Fire-Guard duties. The personnel has been drawn mainly from the staff but senior boys have helped as needed, especially in the holidays, and their help has been much appreciated.

Another Forestry Camp is being arranged for the holidays—the third, and the A.T.C. will also proceed to camp in September.

Our congratulations go to J. W. Sherwood on his second class in the Maths. Tripos, Part I. at Cambridge.

The W.G.S. and W.H.G.S. Flight of the A.T.C. did remarkably well in the Inter-Squadron Sports on July 4th and was placed Fourth.

It is with great pleasure that we heard of the award of the D.F.C. to Flt.-Lieut. F. A. Robinson who left us to enter Cranwell in 1938.

Library: it is with great gratitude that we acknowledge a most handsome and useful gift from Mrs. J. H. Newman of more than 100 volumes.

CRICKET NOTES.

The war has affected cricket more than ever this year. Lack of petrol has led to rougher games-day wickets, shortage of barbed wire had led to depredations by local urchins, mainly at the expense of the nets, and the First Eleven boundary is now a meadow. The First, “under 15” and “under 14” elevens, have been comparatively unaffected, but “village” cricket has been the order of the day in the lower games.

First Eleven:

*Captain:* A. M. Hall.
*Vice-Captain:* R. Cross.
*Secretary:* D. G. Munns.

_In charge of kit:* D. F. White and R. Cross.

_Also Played:* D. M. Landau, K. Page, J. T. Drage, T. G. Streeton.

Full Colours have been awarded to A. M. Hall and R. Cross. Half Colours to Green, Dainty, Munns, White, Goodey, Bond, Collings, Butler, Lyne.

The present Eleven, though young and inexperienced, has performed very creditably. It has more than held its own and is so far unbeaten. Its success is not a little due to
the careful keenness of A. M. Hall, its captain. He certainly succeeded in the difficult task of getting the most out of his team. With a little more experience he will make an excellent captain. The bowling on the whole has been quite good. The main attack has been the medium-fast bowling of Collings, much improved in accuracy since last year, and the varied slows of R. Cross, who is quite difficult to play, on his day. Hall and White, also much improved, have given efficient support. The batting on the whole has been careful, and reliable against all but very good bowling. The chief general weakness is the failure to put the left foot to the pitch of the ball. Hall and Cross and occasionally Dainty have usually had the highest scores. The fielding is usually alert and efficient, though the throwing-in to the wicket-keeper could be improved.

‘Under 15’ XI.

Captain: D. Knight.
Vice-Captain: J. T. Hardwick.
The 'under 15' XI. has two enthusiastic cricketers as captain and vice-captain. Knight is a very good wicket-keeper and, occasionally, when he waits for the right ball, a good forcing bat. Hardwick is developing into a really good medium-fast bowler with a very good action and his batting is improving considerably. Burrows, on his day, bowls very accurately, and Ager is a useful change-bowler. The batting is the weak point with this eleven. A lack of patience and an absence of the discipline of mind necessary to wait for the right ball to hit has led to several processions, but on the occasions when the batting has settled down, the side has proved a very hard one to beat. The fielding is fair, being too often lazy to be consistently efficient.

Half-Colours have been awarded to D. Knight, J. T. Hardwick, Ager, Pearce, Burrows.

'Under 14' XI.

Captain: Hollands.

The 'under 14' XI. has had fair success, and had several of its matches not been cancelled, would have developed into quite a strong team. Again it is a story of inexperienced batting, of batsmen not knowing how to pick out quickly enough the right ball. Determination, too, has been lacking occasionally, but these faults are only temporary, and next year's 'under 15' XI. should do well. Apart from Hardwick, who is also 'under 14,' the successful bowling has been shared by Minney and Sturgess. Hollands and Whitney have it in them, with care, to become very useful bats. A little more determination in the fielding would make it quite good.
Matches played.

Wednesday, May 20th v. Northampton Town and County School at Wellingborough.
School 27.
Northampton 28 for 2 wickets (41 all out) (Hardwick 5 for 17, Sturgess 4 for 6).

Wednesday, June 10th v. Bedford Lower School at Bedford.
School 73 (Whitney 20).
Bedford 38 (Hardwick 5 for 13).

Saturday, June 27th v. Harpur Central School at Wellingborough.
School 41 (Sturgess 13).
Harpur C.S. 42 for 7 wickets (114 all out) (Minney 3 for 4).

Saturday, July 4th v. Bedford Modern School at Wellingborough.
School 130 for 7 (dec.) (Hardwick 33, Addis 33, Whitney 33)
Bedford 53 (Minney 6 for 30).

Half-Colours have been awarded to Hollands, Minney, Sturgess, Whitney.

The Scorpions this year have had no match so far, and have been very unlucky with the weather, but the cricket here is very full of promise for next year's 'under 14' XI.

ATHLETIC SPORTS.

Very good conditions, apart from a stiff easterly breeze, prevailed this year for a change. The performances were generally very good though only one record was broken, namely, by L. R. Bailey in the Junior High Jump. Shipman was the outstanding runner in the Senior events. He had also broken two records in the long-distance events. The cups were presented at the end of the sports by Mrs. Woolley.

AIR TRAINING CORPS.

During the past year we have had much to interest us, particularly during this term. Work has proceeded steadily and on the whole progress has been good. Fifteen cadets gained Proficiency Certificates Part I, and the few candidates who were unsuccessful failed only in one subject.

The most popular features of this term's training have been the visits to Sywell. Nearly all cadets over sixteen have been able to try their skill on the Link-trainer, and many have also experienced the thrill of their first flight. Our thanks are due to the Commanding Officer and Officers at Sywell for their kindness and help and to Mr. Reeves for making the necessary arrangements. These visits to the parent Aerodrome have been greatly appreciated by all and we look forward to a continuation of them during the summer and next term.

On Saturday, July 4th the Annual Inter-Squadron Athletic Sports meeting was held at Wellingborough. It did not rain but the weather was cold and rather windy,—disappointing conditions after the brilliant weather of previous weeks. Nine local squadrons including ourselves competed this year. The standard of performance was high and there was keen competition throughout, the issue being in doubt almost to the last event. We came fourth in the contest for the Trophy and competitors are to be congratulated on making a very fine effort. The meeting opened with a march past of the competitors and the salute was taken by Wing Commander J. A. C. Wright, R.F.C., T.D., D.C., M.P., Commandant of the Midland Region.

Units of the A.T.C. throughout the country took part in special parades on Sunday, July 5th. In Wellingborough all flights paraded in the centre of the town and marched from there to attend a Drum Head Service held in the grounds of Wellingborough School.

It is hoped that a further group of candidates will be entered before the end of this month. Younger cadets are reminded of the necessity of reaching Proficiency Standard early in the year to avoid difficulties with other school examinations.

On January 25th, 1942, the Special Choir sang a recital of sacred music in Earl's Barton Parish Church. The programme was similar to that of previous recitals.

On February 5th, at a school recital, Mr. C. Brownlie and Mr. Wintersgill played Beethoven's Violin Sonata in F (The Spring) and other short pieces. A. J. Carter sang four Schubert songs, and Mr. Wintersgill played Handel's "Melodious Blacksmith" variations, and Ravel's Pavane.

On March 13th, Mrs. Woolley played flute solos, Allegro and Siciliano by Bach, and Siciliano and Gigue by Handel. Mr. Wintersgill played the Variations from Sonata in A flat by Beethoven, and repeated Ravel's Pavane and Frank Bridge's Three Miniature Pastorals.

At the Lenten services in Hall, the preachers were the Rev. O. C. Austin, the Vicar of Earl's Barton, the Rector of Wilby, the Rev. A. Binney, the Vicar of St. Peter's, Rushden, and the Headmaster.

The anthems sung by the Full Choir were, Jesu joy of man's desiring (Bach), Thou knowest, Lord (Purcell), My song is love unknown (Whitehead), If we believe (Goss), Surely He hath borne our griefs (Handel), and solo by A. J. Carter, I know that my Redeemer liveth (Handel).

On March 5th at Speech Day, the Special Choir sang, The Dark-eyed Sailor (Vaughan Williams), Cradle Song (Henry Smart), and Silent Worship (Handel, arr. G. Shaw).

On March 26th the Special Choir gave a concert to the school:

On June 11th at the Commemoration Service, the Special Choir sang, Blessed be the God and Father (S. S. Wesley).

On June 16th the House Music Competitions were judged by Cyril Winn, Esq., M.A., H.M.I. The test piece for unaccompanied choir was Songs of Praise No. 169, verse 4 only, in key of G. The Appleby Music Cup was awarded to Dragons, whose entries were, besides the test piece: Treble solo, Schubert's Wanderer's Night Song (A. J. Carter); Piano Solo, Sinding's Rustle of Spring (R. F. Turney); Dowland's Come again (House Choir). Mr. Winn warmly congratulated Dragons' conductor, K. Page, and praised the quartet section in the Dowland. Lions were placed second, Gryphons third, and Stags fourth.

On May 18th Miss Cecily Arnold and Miss Edith Lake gave a much appreciated recital of music of the XVII and XVIII centuries on the instruments of the period. They brought with them and demonstrated the use of the harpsichord, clavichord, lute, treble, tenor and bass viols, with instrumental pieces and songs from Byrd and Dowland to Bach and Handel.

On June 25th Miss Milly Stanfield (cello) and Miss Sybil Barlow (piano) gave a recital of miscellaneous pieces. During the week-end June 20th, 21st and 22nd the school entertained Mr. B. W. Appleby and the whole of the choir of Doncaster G.S. Thirty-three Doncaster boys came on the Saturday evening, accompanied by our late headmaster, Mr. Lay, his family, and two other masters. Supper was provided at school for our guests and those of our boys who were their hosts for the week-end. After supper, the Doncaster choir, rehearsing in Hall, gave us a foretaste of their quality.

On Sunday afternoon before a large and enthusiastic audience, they sang a programme of anthems and partsongs. The singing was accomplished in performance and brilliant in tone, and the clear, strong voices of the Yorkshire boys made a deep impression.

On Sunday evening the choir sang again in St. Mary's church after evensong, and sounded most beautiful in the resonant building. P. M. Urwin's treble solo was wonderful in 'But Thou didst not leave' (Handel). Mr. Wintersgill accompanied on the organ.

On Monday morning the Doncaster boys attended school prayers, visited the gardens at Croyland Hall and the baths at Wilby, and then heard our Special Choir in a short programme. In the afternoon the Hall was packed to hear the choir, and a large overflow listened sitting on the grass in the quad. The choir sang a varied programme of madrigals and partsongs, and there were treble solos and duets by Urwin and Tasker. An exacting and difficult programme was performed with
apparent ease and brilliance, and everyone congratulated Mr. Appleby on his choir.

This visit of a whole choir to another school is quite a innovation in the educational world, but it proved highly successful. It is quite certain that the Doncaster boys enjoyed their visit immensely, and equally certain that our boys enjoyed having them to stay amongst us. There is no spirit of rivalry between the choirs of the two schools, only a spirit of co-operation. Each has its own qualities. Doncaster has offered a hearty invitation to our Special Choir to pay a return visit to their school when it can conveniently be arranged.

P.T. COMPETITION.

The competition was held on the 25th and 26th June. After a close struggle the Stags won the Cup, the holders, Gryphons, being placed third.

The events were:—Vaulting; Weight heaving; Chalking the Line; Trunk Bending; Hop Step and Jump; Aiming at Target; Forward Roll over Benches; Rugby Passing Relay; Tug-o-War.

THE FORD CUP.

Stags 77½
Dragons 74
Gryphons 65

SWIMMING SPORTS.

The Swimming Sports are to be held at Wilby Lido on Tuesday, July 28th, by kind permission of Mr. J. M. Thompson. Full account will be given in the next issue of the magazine.

THE SCHOOL SCOUTS.

Since last term, the troop has been re-formed, consequently the Patrol competitions have been much fairer.

During the Easter vacation, 14 Scouts accompanied by Cross, camped at Castle Ashby. A keen competition was held there between the camp patrols, the Pigeons, and the Pewitts. It was won by the Pigeons after a supreme effort in a wide-game.

At Whitsun a troop camp was held, also at Castle Ashby. Despite the fact that it rained almost incessantly during our stay, we all enjoyed ourselves.

An excellent shield, made by Shelford, has been very keenly contested for by all the Patrols. So far the Bulldogs have held it twice and the Otters once.
A cricket team has been formed this term and has played two matches, winning both of them.
The School Forestry Camp this year has attracted a number of Scouts, five of whom intend going.
Six sacks of waste paper have been collected during the term for the National Salvage Effort.

IIA. LECTURE SOCIETY.

There have been no lectures this term—instead, lecture-time has been devoted to acting. Plays have been written by Wrighton, Soper, Willmott, Hodgkins, Smith, Swindall, Bayliss, Streton and Chambers.

Hodgkins’s play was particularly good. Especially good acting performances were given by Wrighton and Bayliss.

P. SOPER, SECRETARY.

HOUSE NOTES.

DRAGONS.

We fared very badly in the Cross-country Competition, but otherwise we have either won or have been runners-up in every Inter-House Competition.

In the last round of the Rugby Competition, which was very exciting, both seniors and juniors beat the Stags, and we won the Rugby Cup.

We were second to the Gryphons for the Athletics Cup, which was very disappointing, as we were in the lead on points right up to the last event. We tied with the Gryphons for the Relay Cup, however. We congratulate Shipman on winning every senior running event.
We won the Music Cup for the second time in succession. The choir was conducted again by K. Page, who put in some hard work.

Two further School Certificates were gained in December by Edwards and Gregory, whom we congratulate. The House was awarded the Ferguson Trophy for work in school. House Colours have been awarded to Durham, Bailey, Harris, Stuart and Turney.

---

**GRYPHONS.**

*House Masters:* DR. A. B. ADAMSON, MR. R. V. S. WARD.  
*Head of House:* D. F. WHITE.  
*House Prefects:* DAINTY, WHITE, TURNER.

Since the last issue of the magazine the House's position in the school has improved. We were runners-up for the Rugger Cup, although the Juniors were unbeaten. We have not been too successful in the cricket-matches, but we hope to beat the Dragons in the last matches. We were third in the Music Competition, but the individual items were very good.

Although the middle cross-country team ran excellently, we having the first three runners home, Bayes first, then Bridgeford and Britton, we gradually lost our chances through weaker Senior and Junior teams. In the Athletic Sports the middle-house again ran well, being chiefly responsible for our gaining the Athletic and Relay Cups. We share the latter with the Dragons. D. F. White won Mrs. Woolley's Cup for the High Jump.

This term we have been fairly well represented in the School Cricket XI’s: Dainty, D. White, Bond, Butler and Streeton have represented us in the 1st XI, Taylor and K. White in the 'Under 15' XI.

We have high hopes of winning the Swimming Cup in the forthcoming sports.

We are very sorry to have lost Mr. Dunning who has joined the R.A.F. and we wish him every success. We are very glad to welcome Mr. Ward in his place, who has already put in a great deal of work for us.

---

**LIONS.**

*House Masters:* MR. E. L. HOLE, MR. H. A. WINTERSGILL.  
*Prefects:* L. A. GREEN, G. W. BRADSHAW, D. G. MUNNS, J. T. DRAJE.  
*Secretary:* CLAYPOLE.

In spite of a good spirit and plenty of keenness the Lions have not had much luck in the way of cups this year. We made a good start by winning the Cross-country Cup but were placed fourth in the Rugger, Sports, Relay and P.T.
Cup events. In the Cricket Cup matches so far we have lost both Senior matches though the Juniors are unbeaten. The performances of the Juniors are most encouraging for the future and we hope for better things next year. We wish good luck to those Lions taking H.S.C. and S.C. examinations and all the best to those of us who are leaving this term.

STAGS.

*House Masters:* DR. A. JACKSON, MR. R. W. SYKES.

*House Prefects:* A. M. HALL, E. C. BAXTER, R. CROSS, W. F. MADDAMS, J. D. ROBERTS.

During the last two terms, several House Competitions have been decided, and in these we have carried off our share of the Cups. Playing against the Dragons in the final round of the House Rugger Competition, the Seniors narrowly lost, and thus we lost the Cup which we shared with the Dragons a year ago. We were very unfortunate in not winning the Ferguson trophy, being runners-up, one point behind the winners. The Inter-House Cross Country Competition proved a little disappointing for us, despite some good running by the Junior, and some of the Senior teams, and our Athletics were not very good either; Wrighton ran especially well in the Juniors. Our failure in the House Music Competition may be put down to lack of talent rather than lack of enthusiasm, and the solo violinist must be congratulated on his plucky effort.

We have again fared well in the Cricket Competition, and although one round remains to be played, we confidently expect to win the Cup. The P.T. Competition again proved very exciting, we carried off the Cup, leading all the way.

We must congratulate Cross, Roberts, Maddams, Denton and Lyne on being awarded their House Colours, and to the following who have represented the House in the school teams: Hall, Cross and Lyne in the 1st XI; Ager and Burrows in the 'Under 15' XI, and Fair in the 'Under 14' XI.

Finally, we wish the best of luck to those Stags who are taking the Higher Certificate and the School Certificate this year, and to those who are leaving at the end of this term.

DRAMATIC SOCIETY.

Two one-act plays were produced on July 23rd, and July 24th; a full account will be given in the next issue.

PARENTS’ ASSOCIATION.

Secretary : Mrs. Turner, 17 The Drive, Wellingborough.
Treasurer : Mrs. Webb, Chester Lodge, Irchester.
Committee : Mrs. Turner, Mrs. Webb, Mrs. Potts, Mrs. Bollard, Mrs. Maddams, Mrs. Elks, Mrs. Spencer, with The Headmaster, Mrs. Woolley, Dr. Jackson, Mr. Wintersgill, Miss Bavin.

Since the inception of the Parents’ Committee, many useful functions have been held.

The war has naturally curtailed its activities but in spite of difficulties, Whist Drives, Jumble Sales, and Dances have been arranged. These were very successful, and a very fair sum of money has been raised for the Music and Dramatic Fund.
