EDITORIAL.

The School has, at last, felt the effect of clothes-rationing. The black jerseys and white jerseys of the rugger field are almost unobtainable and hence a motley collection of jerseys appears on games' days. Caps are also very difficult to obtain although certain members of the fourth and fifth forms do not seem unduly disturbed by the shortage. Nevertheless, the school uniform still predominates and only an occasional "sports coat" is to be seen.

In the Summer Term Magazine of 1942 the Editor remarked that "it may possibly happen circa 1960 A.D. that the School will celebrate the coincidence of the Annual Athletic Sports with a warm sunny day." Evidently the "Clerk of the Weather" took the hint and Sports Day this year was warm and sunny. Perhaps this unique day accounts for the fact that no fewer than six records were smashed. The "Clerk" went beyond all expectations for he not only gave us a warm Sports Day but also permitted the Rugger team to complete their fixture list during the Spring Term for the first time on record.

The School Cricket team must be congratulated on another successful season, for so far, they are unbeaten (in school matches) for the second year in succession.

Once again senior members of the School helped in the Post Office at Christmas and very ably delivered the mail in true postman-like style. In conclusion we should like to say that the appeal for helpers to get in the 1943 'harvest has not fallen on deaf ears and we wish all the gallant volunteers "good farming."
SCHOOL NOTES.

Acting Prefect: K. A. Bond.

It has been a good term, good in health, weather, music and cricket. Particulars of the cricket and of the concerts by Miss Margaret Maddison and the British String Quartet will be found elsewhere. Commemoration was observed on St. Barnabas’ day when a particularly fine address was given by R. G. Routh, Esq., late Headmaster of Bromsgrove School. On 24th May, Lt. W. P. T. Casey, R.N.V.R. showed some excellent films on the work of the Royal Navy and the Fleet Air Arm. We are indebted to Mr. J. A. Tatam, B.Mus., F.R.C.O., of Oundle School, for his kindness in judging the House Music Competition.

A heavy blow fell upon us when, in June, Mr. Hole was appointed to the Staff of Merchant Taylors’ School, Hertfordshire. He was one of the original Masters of the Grammar School and has served it faithfully for thirteen years. He has had an untold and invaluable influence upon the growth of the School’s traditions and they will always bear the mark of his personality. He has raised the standard both in the French teaching and in cricket coaching to a remarkably high level and the musical life of the School owes more than one can say to his unfailing zeal, his fine tenor voice, and his skill as a pianist. Mr. Hole will be missed particularly as Second Master, the duties of which office he filled with great ability, and amongst the Old Boys all of whom he knew and who looked to him, and never in vain, for help and advice in Association matters. He leaves with our best wishes for his future happiness: he will ever be remembered here as a chief builder of the place and we hope he will always have kindly memories of us.

Another regretted departure at the end of this term will be that of Mr. Burrell who has been with us only a year. This term he led a series of bicycling expeditions which were much appreciated by those who took part. It is to be hoped that his initiative in this direction will be followed up and the Bicycling Club put on a sound basis.

Our congratulations go to Mr. Kent on the selection of one of his portraits for hanging in the current Exhibition at the Royal Academy. Mr. Kent has painted successful portraits of a number of boys and of some Masters in recent months.

The School Scout Troop has distinguished itself by winning the annual competition for the Vaux of Harrowden Cup.

Numbers continue to rise. This term there have been 316 boys in the School: next term we expect to be not less than 360. It has been our policy in the past to admit all boys who reached a good minimum standard and appeared
likely to benefit by the education here afforded, but it seems probable that hereafter applicants for admission will have to submit themselves to examination on a competitive basis unless they have already qualified by winning a County Scholarship or Special Place at the previous Annual Schools Examination.

The following Old Boys have visited us this term: H. W. G. Pearson (L.A.C., R.A.F.); F. Langley (Sgt., R.A.F.); J. A. Mabbutt (2nd Lt., R.A.); A. M. Hall (Eng. Cadet); C. W. Rose (Cpl., R.A.F.); D. Claridge (R.A.); Ernest Hudson (R.N.); the Rev. J. P. V. Crowther-Green; G. W. Westnedge (G.S.C.); N. P. Sharpe (2nd Lt., R.A.C.); J. Rice (R.A.F.).

The Old Boys' Association held a successful dance in the School Hall on the evening of Saturday, 17th July, in aid of the Association's funds.

CRICKET NOTES.

The outlook for this term was fairly hopeful and in fact the First Eleven have maintained a very creditable standard of performance. No school match has been lost to date. The only team to beat the School Eleven was a strong Parents XI. Several matches have had to be cancelled owing to war conditions. Of the others five have been won, one drawn and one rained off.

R. Cross is a tower of strength as all-rounder and captain. He is well backed-up by his vice-captain and secretary D. G. Munns. The School has two very good bowlers in Collings and Hardwick, and a reliable wicket-keeper and batsman in Knight. The fielding is very fair and on the whole the School Eleven has proved a difficult team to beat. It has usually been chosen from:—R. Cross (capt.), D. G. Munns (vice-capt. and secretary), N. J. Collings, K. A. Bond, D. Pearce, R. R. Lyne, J. T. Hardwick, D. Knight, R. F. Burrows, D. R. Smith, W. Ager, D. Braybrook. Bridgeford has been scorer and Knight and Hardwick are in charge of kit. Full Colours have been awarded to:—D. G. Munns, N. J. Collings, J. T. Hardwick, D. Knight; and Half-Colours to K. A. Bond, D. Pearce, R. R. Lyne.

Lack of transport has deprived the junior elevens of several of their fixtures. What matches have been played have found both elevens a little unsteady in batting. Match experience is essential. It has been limited and they have not really settled down as well as usual. In bowling and fielding however they show good promise and in general the outlook is quite bright, especially among the new boys. Half-Colours have been awarded to K. C. Whitney (‘under 15’ captain), J. N. Minney, R. W. Matthews (‘under 14’ captain), A. R. Bull, L. R. Bailey, B. D. Timpson.

**Cross Country Running.**

The weather conditions for the cross-country runs last term were very favourable and consequently the course was firm and afforded fairly easy going. The route differed a little from that taken on former runs but this was due to war conditions and restrictions applying to certain prepared ground. However there were two ploughed fields and a fair sprinkling of barbed wire. The water jumps this year were quite easy ones as the stream had been cleaned quite recently and the approaches were free from mud.

The results of this competition in which ran House teams of 6 from each age group were as follows.

Dragons 97 ; Stags 72 ; Lions 69 ; Gryphons 62.

**13—15.** 1. Wibberley (c), 2. Sturgess (d), 3. Hudson (c). Time 19 mins. 0 secs.
Gryphons 105 ; Stags 83 ; Dragons 62 ; Lions 50.

Time 19 mins. 50 1/5 secs.

Dragons 105 ; Gryphons 69 ; Lions 66 ; Stags 60.

The Williams Cup for the Cross Country is therefore held by the Dragons House, the total points being:

Dragons 266 ; Gryphons 236 ; Stags 215 ; Lions 185.

Unfortunately it was impossible to arrange the annual match against Daventry Grammar School and as a result a school team was not chosen.

P.T. COMPETITION.

The competition was held on the 24th and 25th June. The Junior Stags gained a lead in the first half that ensured their House retaining the Cup.

The events were: Aiming at the Target; Heaving the weight; Hop, step and jump; Dive over benches; Vaulting; Balance upon bricks; Turning on benches; Ankle holding knock-out comp.; Over and Under Relay; Tug-o'War.

AIR TRAINING CORPS.

No. 980 (Wellingborough G.S.) Flight.

On the whole this has been rather a busy term, our activities have been many and varied. One very pleasing fact is that, in spite of the reduction in numbers resulting on the return of West Ham G.S. to London, we have had sufficient recruits to keep the strength of the Unit over fifty,—a good number for the size of the school.

Six cadets have recently gained Proficiency Certificates and it is hoped that we shall add to that number before the end of the term. We congratulate F/Sgt. Smart on gaining Part II. of the Proficiency Examination. Work and training have progressed steadily and we have added other activities from time to time. Some cadets have attended Sywell for lectures on Armaments and Engines and others have had practice on the range with miniature rifles. We wish to express our sincere thanks to Mr. Burton for his valuable help and instruction.

During the term we had visits from F. Lt. McAdam, Midland Command Training Officer, and Major Guy Paget, District Inspecting Officer for Northamptonshire. Both gave us useful advice and helpful criticism and left with the message “Carry on with the good work.”

Many visits to Sywell have been made, mostly for flying. Tiger Moths are very popular but many cadets also had an opportunity of taking a trip in a D.H. Rapide or Dominie. Our Liaison Officer, P/O Reeves has helped us in arranging such visits and we are grateful to him.

This year’s camp is to be held at Honiley early in September and most cadets are looking forward to that week, which will be grand opportunity of gaining knowledge and experience as well as a good holiday.

The Inter Squadron Sports were held at Kettering on July 10th, only four units competing this year. The weather was most unpleasant—it rained steadily and persistently throughout the afternoon,—but in spite of this it was an enjoyable meeting. We finished a good third and congratulate competitors on putting up a very good performance for the Flight.

8. Away in a manger ... ... ... H. H. Wintersgill
9. While shepherds watched ... C. Northrop c.1820

On January 22nd, 1943, C.E.M.A. provided concerts in the afternoon for schools, and evening for adults. The artists were Myra Verney (soprano), Pauline Juler (clarinet) and Norman Franklin (piano). The programme included Schubert's song "The Shepherd on the Rock" with clarinet obbligato.

On February 18th a party attended a C.E.M.A. concert in the High School. The artists were the Dartington Hall
String Trio, who played solos and trios. For the evening concert in our hall, they were joined by John McKenna (tenor). Mr. Wintersgill was the accompanist.

At the Lenten services the anthems sung by the full choir were, Lord for thy tender mercies’ sake (Farrant), God so loved the world (Goss), O sacred head, and Ah, holy Jesus (Bach), Psalm 24 (Chant by H.H.W.); and treble solo (A. J. Carter) I know that my Redeemer liveth (Handel).

**SPECIAL CHOIR CONCERT—1ST APRIL, 1943.**

1. Piano duet: Finale from Sonata 2 Mr. Wintersgill and Mr. Hole.
2. Partsongs: (a) In going to my lonely bed Edwards (b) How blest are shepherds Purcell
5. Violin Solo: (a) Valse in A (b) Serenade Brahms Schubert K. M. Finding.
6. Partsongs: (a) O my love is like a red, red rose (b) Au clair de la lune (Old French arr. H.H.W.) (c) Monsieur Malbrouk
7. Treble Song: Where’er you walk Handel A. Groom and G. W. Slawson.
8. Partsongs: (a) I loved a lass Armstrong Gibbs (b) Cargoes Balfour Gardiner

On May 25th a recital was played by Margaret Maddison (piano). The programme included Beethoven’s Pathétique Sonata, two pieces of Debussy, a group of studies and mazurkas, and the Scherzo in C sharp minor of Chopin. The recital was repeated in the evening.

On June 2nd concerts were played by the British String Quartet. The programme included movements from quartets of Schubert, Borodin, Dohnanyi and Haydn, with Grainger’s Molly on the Shore, Bridge’s Londonderry Air, and Turina’s Toreador’s Prayer. The evening concert included Mozart’s B flat quartet (The Hunt).

At Commemoration Service, June 11th, the Special Choir sang “King of glory, King of peace” (Bach, arr. W. H. Harris).

On June 23rd Mr. J. A. Tatam, Mus.B. (Qundle School), adjudicated the House music competition. The set piece for choirs was “Never weather-beaten sail” (Campian) (S.P. 587). The Appleby Music Cup was won by Dragons (conductor, P. W. Rich). Their voluntary pieces were Treble
song, “Early one morning” (Bean and Hughes); Piano solo, Rachmaninoff’s Prelude in C sharp minor (R. F. Turney); 4-part song, Uist Tramping Song (house choir).

Mr. Tatarri expressed his pleasure with the general standard attained. The house choirs were good, apart from signs of insufficient rehearsal of tenors and basses in two of them. Stags were handicapped by having no member of the house able to play an accompaniment.

Points awarded: Dragons 84, Lions 76, Stags 71, Gryphons 63.

SCHOOL SCOUTS.

For the past year the troop has been run by Mr. Findley as S.M. and R. Cross as A. S. M. During the term our activities have been lessened owing to the fact that a large number of our scouts have been taking the School Certificate Examination. Very few new recruits have joined the troop in the past six months, but we are hoping for a rise in numbers in September.

In the Easter holidays quite a large proportion of the troop went for a short camp near Hinwick; several tests were passed during this outing.
During the week-end July 3rd—4th, a patrol of seven from the troop won the “Gilbey Cup” in a competition at Finedon. Our patrol consisted of:—
K. R. Spencer (Patrol Leader), Frost, R. F. Cox, P. E. Cox, Rice and Stevens.

K.R.S.

LITERARY, SCIENTIFIC AND DEBATING SOCIETY.

President: The Headmaster.

Spring Term Officers:
Chairman: R. Cross. Secretary: D. Durham.

Summer Term Officers:
Chairman: D. Durham. Secretary: D. G. Munns.

In the Spring Term a Literary, Scientific and Debating Society was formed by a few enthusiastic sixth formers. The attendance has been rather small although the Society has been well supported by the sixth form, and with a little better support from the fifth forms the Society should root itself firmly in the School. A number of debates have been held, the subjects varying from the abolition of compulsory games to the harmfulness of patriotism. But perhaps more popular than the debates were the impromptu discussions which “brought out” the younger members of the Society. The subjects discussed covered a wide field and included political, social, educational and scientific questions. It is hoped that next term the membership will be greatly increased. D.D.

HOUSE NOTES.

DRAGONS.

House Masters: Mr. C. W. F. Laurie, Mr. I. J. Nicholas.

The House has been in good form since the last House Notes were issued. In the final round of the Rugby Competition both senior and junior teams beat the Gryphons, so we retain the Rugger Cup for another year, having won all our six matches. We congratulate Rich on being appointed Captain of Rugby and on being awarded Full Colours, and Shipman on being appointed Vice-Captain.
The Dragons were well represented in the results of all the Cross-Country finals, and we won the cup from the Lions with a good margin of points. Shipman is to be congratulated on having won the Senior Run for three years in succession.

On Sports Day the Dragons surpassed themselves, carrying off both the Athletics Cup and the Relay Cup. We were first in all three relay races—a thing which we last did in 1940. We congratulate Hyde of the second form for having established two new Junior records. The Music Cup will be ours for another year. Once more we were rivalled by the Lions, but we won by a slightly larger margin of points this year. The choir was conducted by Rich. Turney is to be congratulated on his accomplished rendering of Rachmaninoff's 'Prelude' (in C Sharp Minor).

In spite of the number of School Certificates gained by Dragons last year, we lost the Ferguson Trophy, and were runners-up to the Stags. The Dragons Seniors won their section of the P.T. Competition, but we were runners-up to the Stags once more owing to the large number of points gained by their Juniors over ours. This defeat seemed to daunt both cricket teams, which, on the same day, lost heavily to the Gryphons. The Seniors having won only one match, we finished third in the Cricket Competition, tying with the Stags. We have high hopes of winning the Swimming Cup once more, at the end of this term.

Congratulations are extended to those Dragons who have been accepted by various War Selection Boards—Rich (Fleet Air Arm), Shipman (Indian Army), Collings and Turney (R.A.F.). House Colours have been awarded to Dallas, Spencer, Robinson, Rickard, and Sturgess. Most of our Sixth-formers are leaving this term; all members of the House will have to pull their weight in future if our present position is to be maintained. (We hold six of the nine Cups at present contested for in Inter-House Competitions). To all Dragons taking School and Higher School Certificate examinations this term we wish success: and to all departing Dragons we wish good luck, whatever the walk of life they are about to enter.

STAGS.

House Masters: Dr. A. Jackson, Mr. S. B. Harris.
Head of House: R. Cross.
House Prefects: J. D. Roberts, W. F. Maddams (Secretary), R. R. Lyne.

Since the writing of the last House Notes, two busy terms have elapsed, during which time several House Competitions have been decided. Though the House has not fared quite
Finally, we wish the best of luck to those who are taking Higher School Certificate and School Certificate examinations this term, and to those who leave this summer: it is for those who remain to maintain and better our position as a House.

In the concluding round of the Rugger Competition, the Senior team, after two defeats, was victorious over the Lions. In the Cross-Country running, we produced no spectacular runners, but the team ran quite well. In the scholastic field, we once more held our own, carrying off the Ferguson Trophy. Various members of the House ran and jumped well in the Sports, but we might have done better.

Members of the House prepared for the Music Competition more enthusiastically this year: our rendering of the set piece exceeded expectations, and, had we been able to find a pianist, we should, perhaps, have won the competition. Once more we triumphed in the P.T. Competition, our success being due in no small measure to the efforts of the Junior members of the House. The result of the Cricket Competition was disappointing; in the first round, the Seniors lost to the Gryphons; they rallied to beat a strong Lions team, but succumbed to the Dragons; the Juniors won the first two matches but lost the last one. It would not be safe to predict how we shall fare in the Swimming Competition, but there are some good swimmers amongst us.

We congratulate Cross on his appointment as Head Prefect, and also Matthews on obtaining a good School Certificate at Christmas. The House is again well represented in the Cricket elevens: Cross (captain), Lyne, Ager, and Burrows have played in the first XI, Fair in the 'Under 15' XI, and Timpson in the 'Under 14' XI.

Finally, we wish the best of luck to those who are taking Higher School Certificate and School Certificate examinations this term, and to those who leave this summer: it is for those who remain to maintain and better our position as a House.

**GRYPHONS.**

*House Masters:* Dr. A. B. Adamson, Mr. R. V. S. Ward.

Since the writing of the last notes our position in the School has slightly declined, mainly due to the fact that most of our Seniors have left. We were very unfortunate in losing the last Rugger Match with the Dragons, making us runners-up for the Cup.

We were placed third in the Athletic Cup, due to the lack of Senior runners. Mrs. Woolley's Cup for the High Jump was won by F. Taylor. We did not fare very well in the Musical Competition, being placed fourth. We excelled ourselves, however, at Cricket this year, sharing the Cup with the Lions. We have been represented in the various School XI's by: Bond, K. White, Hudson, J. F. Pickerill, Wibberley, Tyers, Stevens, Chapman.
We were placed fourth in the P.T. competition. We have hopes of winning the Swimming in the forthcoming sports. We wish success to all members of the House who are taking the School Certificate examination this year, and good luck to all those who are leaving.

LIONS.

*House Masters*: MR. E. L. HOLE, MR. H. H. WINTERSGILL.
*House Prefects*: G. W. BRADSHAW, D. G. MUNNS, I. D. CLAYPOLE, J. T. HARDWICK, D. KNIGHT.

During the last two terms the Lions although by no means reaching a good position in regard to Inter-House activities have considerably improved last year's standard.

In the Rugger Competition where we were placed fourth we often held out even against considerably stronger opponents, and in two matches only very narrowly lost. We were placed fourth in the Athletics and Relay Competitions although Drage won both the 100 yards and 220 yards. We had good Middle and Senior teams in the Cross Country Competition but our Juniors through inexperience failed to develop our success, consequently we again were fourth.

In a tough fight with the Dragons in the Music Competition we were very narrowly beaten, although the choir pieces were exceptionally good. In the P.T. Competition our Juniors again perhaps through inexperience rather let us down, for the Seniors gained first place.

Our first real success came in the Cricket Competition, there we shared the Cup with the Gryphons, with whom we had a very exciting game.

Let us hope now that we can exploit our victory and that during next year we can once more, as we rightly should be, not kings of the jungle but "kings of sport."

Congratulations go to Munns, Knight and Hardwick on gaining Cricket Full Colours. Claypole, Knight and Hardwick on gaining House Colours and on becoming House Prefects and to Manning on gaining House Colours.

To all boys in the Lions taking the S.C. we wish good luck and a successful career to all leavers.

OLD BOYS IN H.M. FORCES.

The Headmaster and Mr. Hole wish to thank all those people who have sent them information about Old Boys serving in the Forces. The list of Old Boys however about whom information has been received is not sufficiently large to warrant inclusion in this number of the magazine, but it is hoped to publish a more comprehensive list in the next issue.
WELLINGBOROUGH GRAMMAR SCHOOL OLD BOYS ASSOCIATION.

It is pleasant to record that, despite unfavourable war conditions, the Old Boys Association has been given a new lease of life recently. Its constitution is now more regularised. At a series of meetings during the last three months a set of rules was formulated and a committee appointed as follows:

President: THE HEADMASTER.

Chairman: MR. E. L. HOLE;

from August 1st, MR. I. J. NICHOLAS.

Hon. Secretary and Treasurer:

D. G. BRUCE, 92 Highfield Road, Wellingborough.

General Committee:

A. G. Valentine, Rushden; S. R. Elks, Wellingborough; B. M. Smart, Wollaston; D. F. White, Earls Barton; J. T. W. Findley, Harrowden; C. Coles, Finedon.

Rules.—All previous members of the School are eligible for membership of the Old Boys Association, subject to the approval of the Committee, and they become members upon payment of their first annual subscription.

The annual subscription is 5/-, and the financial year runs from the 1st September to the 31st August. All subscriptions to be payable by the 31st December each year. Members of the School leaving in July are excused subscriptions for August.

N.B. The General Committee of the Old Boys Association are desirous of expressing their sincere thanks to their late Chairman, Mr. E. L. Hole, for the help he has given to them, and they wish him every success in his new appointment.

We gratefully acknowledge the receipt of the following contemporaries and apologize for any omissions:—THE WELLINGBURIAN, THE OUSEL, THE NORTHAMPTONIAN, THE PETRIBURGIAN, THE TOWCESTRIAN, THE HOWARDIAN.
